## PRODUCT SAFETY NOTICE

January 14, 2025

**CMC Part Name: CMC Bottle, Stanley Switchback, 16 oz, Black**

**CMC Part Number: 853150**

**Stanley ID Numbers: 20-01436, 20-02211**

**Issue:** Stanley is issuing a voluntary recall for their Switchback (12 oz and 16 oz) and Trigger Action (12 oz, 16 oz, and 20 oz) Travel Mugs in cooperation with the U.S. Consumer Product Safety Commission (CPSC). The lid threads on these mugs can shrink when exposed to heat and torque, causing the lid to detach during use, posing a burn hazard. CMC is posting this information because we previously sold the 16 oz black Stanley Switchback Bottle with our insignia and Stanley's logo (CMC PN# 853150 and Stanley ID# 20-01436 or 20-02211).

**Resolution:** Stanley asks that all customers in possession of this product immediately stop use and reach out to Stanley for a free replacement lid. Visit their recall page for details:
